TYPGRAPHY

H1 – CRONOS PRO REGULAR

Seeding the smart revolution one farm at a time

H2 – ROBOTO MEDIUM

A low-cost and modular greenhouse structure that protects farmers' crops from wind, rain, hail, heat and pests.

BODY – CALIBRI

We design, adapt and implement low-cost farming solutions that help small farmers increase yield and predictability of produce. We combine these technologies with end-to-end support to give these farmers a seamless path towards income increase. We have developed a “Greenhouse-in-a-box” – an affordable, modular greenhouse bundled with full stack services that uses 90% less water, grows 7 times more food and gives farmers a steady dependable income.
